1967

Who can remember
the excitement of happening?
Who can touch
all the memories?

This is a yearbook
at best, a token of
involvement;

The complexities of

are far beyond the
simplicity and
understanding of the school year 1967

SCHOOL SPIRIT IS

ON THE MOVE

School spirit is on the move at PHHS. Many parents, teachers, and students attended the home games and yelled our team on with zest and enthusiasm.

Prairie Heights is becoming more and more of a united student body. The three schools have become one and a solidification now exists. They have become one student body who plan and carry out their plans in unity--who face the hardships and joys together.

Each year, a school has trials and difficulties they must overcome. The students and faculty at PHHS have overcome the most difficult problem of all--one of unity.

A teacher has an apparent Utopia in which every student should have a continual glow of anticipation and wonderment as classroom activities continue. But there is no real Utopia, and the fact that a student is human makes him susceptible to moments of daydreaming and horseplay.

THE NOON HOUR

The patience of the short waiting period for a little noon hour nurture, is hectic, but it is essential. The Cafeteria is conversation-filled, warm food-scented place . . . respite from books and classes, a place for socializing.

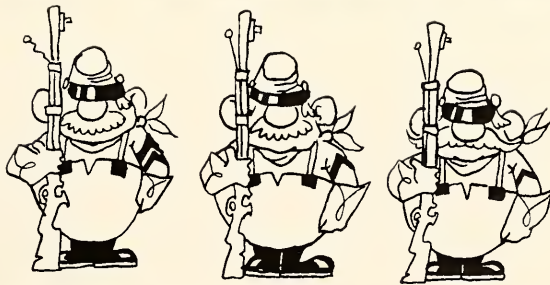

SCHOOL SETTLES DOWN TO ROUTINE

With the convening of daily classes, lectures, and labs, students began to realize the importance of their success in school. Buckling down to the serious business of acquiring an education, they soon learned to appreciate the solitude of the library and the challenges provided in class. Of course, being typical students, they were quick to realize that a well rounded education existed of more than academics; so honest attempts were made to enjoy some of the other phases of school life.

The beautiful library offers many useful facilities for the students and faculty. The Library Club members help students find certain books and materials, and show students how to use the card catalog. There is generally a student librarian at the desk for anyone in need of aid.

The Library Club is surely an asset and a very beneficial organization to the Prairie Heights School.

STUDENT COUNCIL INITIATES MANY NEW PROJECTS

The concession stand during the noon hour.

The student council, headed by Harold Conley, worked hard during the year to make the organization useful to the entire student body.

Last fall the officers of the club attended a student council workshop and derived many new ideas, many of which developed into school projects.

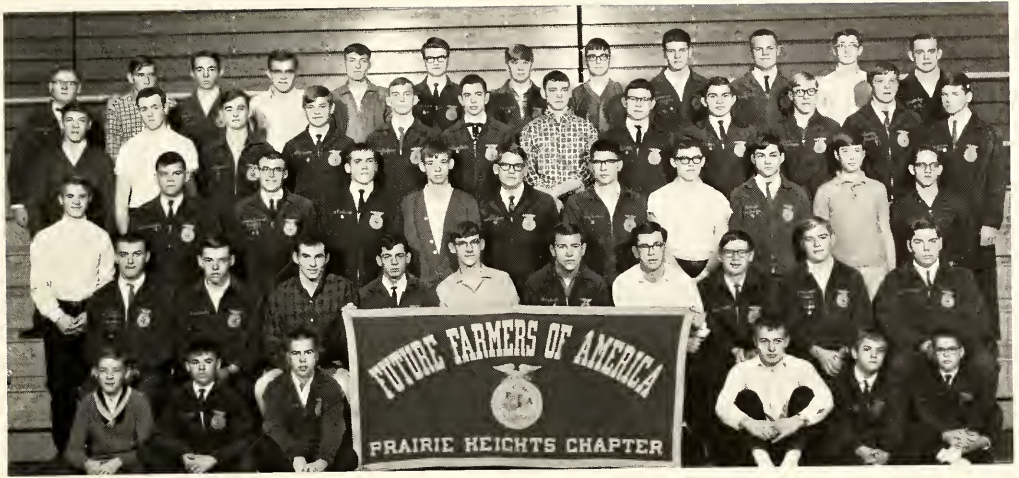

The student council assumed the obligation of operating the concession stand during all home basketball games, plus initiating the opening of the stand during regular school noon hour. The 1967 council introduced the idea of selling milk shakes along with the other concessions. They sponsored dances, the march of dimes campaign, etc.--ideas that may stay with the system for many years in the future.

ACTION IS THE KEY WORD

Prairie Heights is very proud of its hard-working and very active FFA. They have won many contests in the fields of public speaking, essays, and impromptu speaking. They have a unique program of work in which they have sold over 3,000 dollars of corn, and have planted as many as 10,000 trees. The FFA also has a point system whereas the hardest working members, through their achievements of a certain number of points, are eligible to go on trips.

Prairie Height's FFA prepares the boys for an occupation in farming and in agricultural business.

The primary function of the Industrial Arts Club is service. This is evident in their many work projects, such as, scrap drives and parking cars for the basketball games. Other activities included field trips to Greenfield Village and the Ford Museum near Detroit.

PEP BAND

ATTAINS HIGH RECORD OF ACHIEVEMENT

The Prairie Heights Pep Band, under the leadership of Jerry Hughes, developed into one of the best pep bands in the area. They played at all of the home basketball games, and because of its outstanding reputation was asked to play at all games in the N.E.C.C. Basketball Tourney which was held at the Prairie Heights School.

The type of music played ranged from "Batman" to "Wonderland by Night". But aside from this and the basketball games, the merry music makers were a determined group. "No matter if it's rain, or shine, or national disaster, we're going to play on Friday at the games ringing in their ears."

THEY CAPTURED THE IMAGE OF SCHOOL EVENTS

In a way, the yearbook is a mirror similar to Alice's In Wonderland looking glass. It has a certain kind of magic because of its ability to reflect events more vividly than when they actually happened.

It takes a lot of work and time to create a really outstanding yearbook. The staff members declare it is well

worth the effort if this book becomes a perennial favorite in your book collection.

On November 9 and 10 the dramatics club presented NIGHT OF JANUARY SIXTEENTH, a murder trial in two acts. Karen Andre (Nanette Hayward) was accused of killing her employer, Bjorn Faulkner. Her attorney was played by Bill Glasgow. The judge was David Stayner. The jury was selected from the audience and could return the verdict that it thought was right. Other members of the cast were: Beverly Wells, Joyce Conner, Tim Diehl, Katie Gropp, Ned Eckert, Darwin Daub, Vicki Darr, Johnny Knight, Mary Wilson, Diana Graham, Liz Pike, Mike Gordon, Amber Storer, Pat Parr, Vicki Shultz, Teresa Tullis, and Barbara Dunkel.

On March 31 and April 1 the dramatics club in conjunction with the music department presented the Broadway musical BYE BYE BIRDIE. Conrad Birdie (Bill Glasgow), the idol of every American teenager, is inducted into the Army. But before he goes his managers, Albert Peterson (David Stayner) and Rose Alvarez (Amber Storer) decide that Conrad should deliver "One Last Kiss" to one lucky girl in his fan club. This girl is Kim Macafee (Sondra Hall). The plot is complicated by Kim's jealous boyfriend, Hugo Peabody (Mike Gordon).

Other cast members were: Tim and Becky Diehl as Mr. and Mrs. Macafee, Dave Bryant and Larry Spero as Randolph Macafee, Katie Gropp as Mrs. Peterson, Sara Jo Cline as Ursula Merkle, Cindy Shaffer, Karen Pankop, Evelyn Stayner, Ruth Wilson, Denny Tropp, Richard Simon, Jenny Darr, Teresa Tullis, Pat Parr, Judy Denison, Ned Eckert, Ann Kuchenbecker, Dan Reese, Jerry Leaders, Sharon Ransburg, Joyce Conner, and many other fine actors. Also, on March 30 the understudies combined their talents to present BYE BYE BIRDIE to a large audience of grade school children and parents.

FUTURE HEALTH CAREERS CLUB

FHC MEMBERS attend meeting in clinic

The Future Health Careers Club was formed in order to bring together young people who are interested in careers in nursing or public health service. This club gives the students a chance to share their interests and to explore opportunities and requirements in these fields. It helps them to grow as individuals by working together, it helps them develop leadership by giving them responsibilities, and it helps create an interest in their own health.

One of the projects of this club was the adoption of two children from State School in Ft. Wayne. The club sent the adoptees gifts and many letters.

The Future Health Careers Club is a very active and worthwhile organization.

Cheering for another Victory!

The Pep Club's purpose is to create interest in all sports events and to act as an official cheering section at basketball and football games. In order to buy vests for the club's appearance at games, the cheerleaders sponsored the Tumabout Dance. Also the club members sold Prairie Heights pennants. The vests are worn at each game so the cheering block looks more dignified.

The Pep Club members should be congratulated for their generating of school spirit.

CHORUS PERFORMING AT THE EASTER PROGRAM

Entertainment is provided at concerts and during special performances by the grandeur of the harmonizing voices of the Prairie Heights chorus.

A combined county choir performed at the different schools in the spring. The four schools were Westview North, Westview South, Prairie Heights, and Lakeland. This gave the chorus an opportunity to work under different directors. This combined chorus helped the schools to learn and work together in unison and act as one group.

The chorus at PHHS also received a high second in the district contest at Columbia City.

DISCOVERY PUBLISHED EVERY TWO WEEKS

Editor, Nanette Hayward, discusses a recent publication of the DISCOVERY.

A touch of professionalism was evident in the PHS school paper published by the student staff in the 1966-67 school year. The staff worked hard and vigorously to prepare copy for a four page newspaper that contained quality and educational facts concerning school life and events.

The staff independently financed their own paper publication by selling advertisement and sponsoring the WOWO-Faculty basketball game.

Another method of carrying out the purpose of the G.A.A. is through playdays. A Playday is a meeting of more than two schools where a program consists of games. This year the G.A.A. participated in a Volleyball Playday at Angola High School.

FACIAL EXPRESSION ANGLE

ADDS LIFE
TO THE
YEARBOOK

When school starts, thoughts rapidly turn to the myriad of activities coming up. Besides graduation, there are football games, basketball games, dances, parties, track meets, baseball games, and many other outings. All of these events offer exciting possibilities for an exciting school year, but we should never forget the individual. Facial expressions may reveal a story of school life--solitude, hunger, tenseness, relaxation, and fun.

PRAIRIE HEIGHTS

LITTLE "500"

The FFA initiated an event on May 26 that may well lead to a popular annual occasion--THE LITTLE "500". Six teams from the high school entered the Bicycle Relay Marathon. The race was 50 laps around the school's 1/4 mile track (12.5 miles). A team was composed of at least two members and not more than four members. Plaques were awarded to the members on the winning team.

The winning team: Danny Putnam, Dorane Beiswanger, Jeff Butler, George Compton.

The race was very exciting and certainly a welcome addition to the school's extracurricular program.

ATHLETES RECEIVE RECOGNITION

The annual Athletic Banquet was held on May 15. At this time named athletes receive recognition for their outstanding performance in each given school sport. Master of Ceremonies was Keith Dunkel. Invocation was given by Dorane Beiswanger. The Guest Speaker was introduced by Jeff Butler.

The Guest Speaker, Mr. Jack Jarrett, (Head Football Coach at Manchester College) injects humor to the banquet program.

VICTORIOUS SEASON FOR JR. HIGH

The Jr. High track team finished a highly successful season with only one defeat--that being a 2nd place finish in the LaGrange Co. Tourney.

Mr. Kuhn's stars, paced by Gary Boyer and Denny Northup, outclassed such regular season opponents as Wolf Lake and LaGrange to finish with an impressive 6-0 record.

The LaGrange Co. Tourney saw Gary Boyer and Richard Taylor take first and second places respectively for the Panthers.

It would seem sufficient that the eighth grade team finished with a highly successful basketball campaign. Their extra effort and drive resulted in the topping for the cake: the LaGrange County Championship.

The teams competing in the tourney were: Prairie Heights, LaGrange, Wolcottville, Westview, Brighton, Honeyville, Lima, and Howe Military.

The 8th Grade proved the saying, "Speed Conquers All." The 8th finished undefeated in their regular track season.

With their speed and talents in the field events, the 8th won the Fremont Invitational.

The 7th was almost as good--the boys only lost one meet. With the help of Coach Greshaw, the boys showed good progress.

Next year the 8th will add valuable strength to the varsity with speed that will conquer all.

PIGSKIN SPORT COMES ALIVE AT PHCS

Place--The PHCS football field.

Time--The fall of 1966.

Event--The Panther football squad won their first season victory over Eden, Ohio.

Stars--C. Siders, T. Pease, K. Aldrich, D. Reese, G. Levitz, D. Bowman, D. Levitz (Backs). T. Diehl, J. Ellsworth. (Ends). S. Reese, J. Wren, J. Holden. (Tackles & Guards). K. Dunkel (Center). H. Conley, S. Perkins, S. Helmuth. (Quarterbacks).

Also: S. Gay, R. Ernsberger.

As the season progressed, the headlines became a bit less clerical. The Panthers' initiative and drive was more than often outlasted by a strong running attack, capable pass receivers, and a stout defense. Compounding the Panthers' problems was an early-season injury to Gary Levitz, star halfback.

Despite pressing problems, the Panther team managed to eke out another thrilling victory over a strong Angola team. The remainder of the schedule, however, proved a bit tougher for Kenyon's still inexperienced squad, but their determination and "never say die" attitude proved they had the heart of a true sportsman and were fastly gaining the skills of a true player.

Overall, the 1966 season proved to be a literal goldmine of experience and knowledge for Mr. Kenyon, Mr. Spahr, and the boys. Each year their increased insight and ability adds a block to the foundation of a solid football program for future Panthers of P.H.C.S.

This season has been an experience for both the team and cheerleaders. The team lacked size and ball control ability to have a winning season. In spite of this handicap, the team showed hustle and sportsmanship on the floor.

Discussing Defensive Plans

HARDWOOD BOYS DISPLAY TALENT

This season, though the record stood 2 wins, 18 losses, proved to be the most exciting in the history of Prairie Heights' basketball.

The boys making up the team stunned the fans in the surrounding areas by their fighting determination on the hardwood floor. Lacking size and experience the boys maneuvered their opponents into playing the Panther type of game. Mr. Spahr's boys had plenty of chances to win more games during the season, but just couldn't get the breaks to fall their way. Handicapped before even entering on the floor, didn't stop the Panther team from hustling and dis-

playing their talents on defense. These boys, thanks to the coaching of Mr. Spahr, finally realized that "good defense" is the pride of basketball. No doubt the Panthers' had the toughest and hardest pressing defense in the area. They had the offensive ability too, but just couldn't get it clicking all in one night.

To prove the hardship of winning can be seen in the last game of 1967 against the South Whitley Bulldogs. To pull out a victory, the Panthers had to struggle through 4 tension mounting overtimes. This game will go down in Panther history as the most exciting ever!

Congratulations boys we are ever so proud of you and your "Spirit."

SPIRIT COMES TO LIFE

Go! Fight! Win!

The saying, "We're proud of our team", hasn't existed until this year. These words are what the players long to hear. Not until this year have the students showed their school spirit. Filled with spirit and pride the student body backed our hardwood boys all the way. Late in the season the students realized it was loads of fun to out yell their opponents. With this in mind they showed it at the South Whitley game. It was like old times with everyone sensing victory near. The players won their game, but the biggest victory was the backing the students gave them.

A lot of thanks will have to go to the cheerleaders. They did everything in their power to arouse school spirit. Starting off slow, it looked as though the mission was impossible. Soon the spirit picked up rapidly and the cheerleaders came to life. We're prejudiced, but our cheerleaders are the best around, not only in cheering, but in determination to follow and back the team. They did a terrific job.

A Smile of Success.

PANTHERS' SWINGERS

The Panthers had its ups-and-downs this season. Many victories were near, but turned the other way in the closing innings.

The Panther baseball team is young and quite talented. The squad has only three seniors: John Knight, *Harold Conley, and Denny Benhower.

The Panther defense displayed its talents in important ballgames. Especially in the Sectional against undefeated Garrett. Also in the game against Lakeland. In this game the Panthers came through with a brilliant 3-2 victory. To the players and coach this victory was as good as a winning season. This makes two years in a row the Panthers have defeated the Lakeland Lakers in baseball.

*Harold Conley won the batting title with a .400 batting average.

Beiswanger

"The Dark Horse"

This season, to Dorane Beiswanger, has been the greatest. With his great lung capacity and constant pace, Dorane was able to beat almost all of his opponents. Dorane set records in the 1-mile and 2-mile runs. In one track meet, Dorane ran both the 1-mile and 2-mile runs, finishing first in both. Dorane will be back next year.

"The One-Man Sensation"

Gary Levitz, with a total of 108 1/2 points, led all of his team members in scoring. He also broke the school records in the 100 and 220 dashes. Gary won the 220 yard dash in the bi-county and finished second in the 100. Gary graduates this year and the hole he leaves will be hard to fill by his teammates.

TEAM PLAY (TRACK)

This spring, 16 boys carried the load on the cinder track for the Varsity.

The speed of Gary Levitz, Don Rhinesmith, and Dan Putnam, enabled the Panthers to win many of the dash events.

Highlighting the long runs were Dorane Beiswanger, and George Compton.

Tim Pease and his putting of the shot was the only strong competition the Panthers had in the field events.

Besides the 13-15 record, the Panthers blasted the old school track records.

This season only one senior was a member of the track squad. With talent and experience, Coach Kuhn and his squad should have a terrific season next year.

PANTHERS THIRD IN NECC

This season, in the NECC, the Panthers finished in a tie for third place with the Albion Trojans. Westview won the conference trophy with Wolf Lake finishing a strong second.

SWEETHEART QUEEN

Candidates with escorts, (left to right):
Bobbie Keyes, Mary Ann Twitchell, Sara
Jo Cline, Leslie Aldrich.

The night was rich with excitement as four lovely girls had their hearts full of hope of becoming the next Sweetheart Queen of Prairie Heights High School. As the candidates marched in with their escorts, the audience was captivated by their beauty. The candidates were Leslie Aldrich, Senior; Sara Jo Cline, Junior; Mary Ann Twitchell, Sophomore; and Jackie Keyes, Freshman.

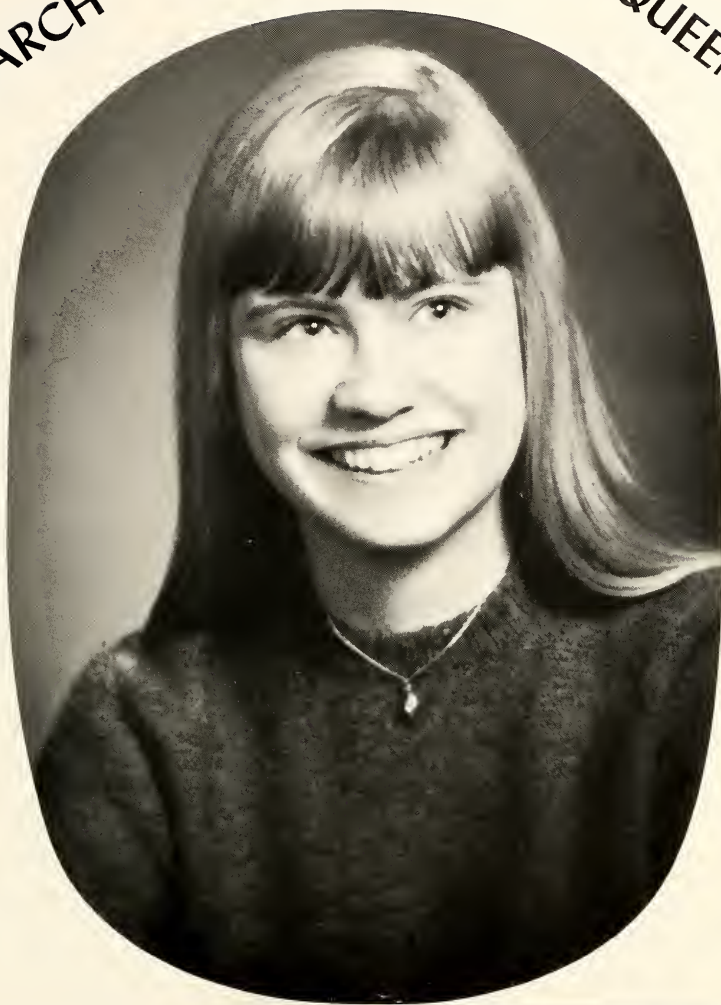

Then suddenly a hush fell upon the audience as the big announcement was to be made. The 1967 Sweetheart Queen was Leslie Aldrich.

Leslie majored in business, but she has no definite plans for the future. She enjoys swimming, dancing, skiing and many other activities.

Congratulations Leslie!

Long Live the Queen.

MARCH OF DIMES QUEEN

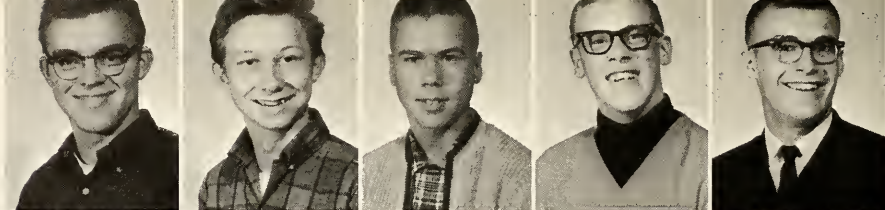

Prairie Heights School Acclaimed another member to its growing royal family. Sara Jo Cline was crowned Steuben County's March of Dimes Queen in a memorable occasion at the Armory located in Angola, Indiana. The crowning of the Queen commemorated the beginning of the annual "March of Dimes Drive" that is so familiar throughout the nation. The title of this nature was the first honor bestowed on any member of the Prairie Heights student body.

Sara Jo Cline and her court were sponsored by the Prairie Heights Student Council.

IN MEMORIAM

On Saturday, February 25, Bruce McElroy died of injuries sustained from an accident at his home.

Bruce, because of his pleasing personality and pleasant smile, was well-liked and sorely missed by his seventh grade classmates, family, and friends.

Being a member of the seventh grade basketball team, Bruce had many interests in the sports field. Among his hobbies were skiing and horseback riding.

Because no words can sufficiently express the loss our school and community feels, we, the Galaxy staff, dedicate this page in Bruce's memory.

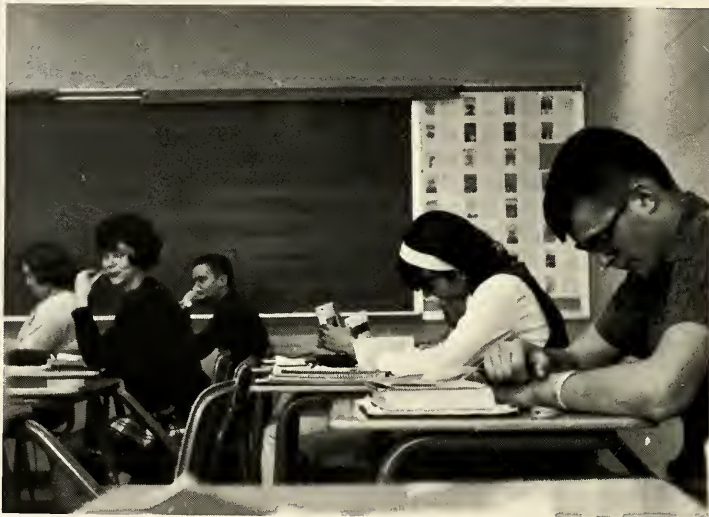

Once a bad guy always a bad guy.

Our high school Girl Scout??

Another record breaker??

So you think you're going to get away with it.

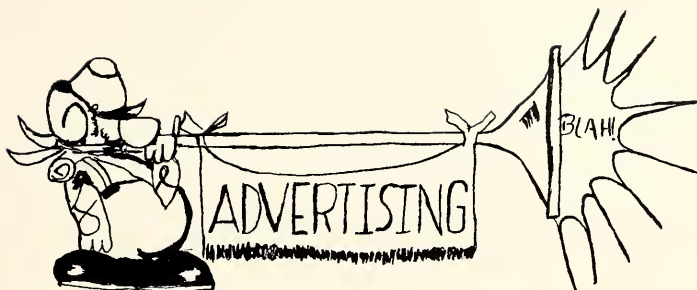

These calisthenics are killing me.

Gee Perky . . . I dunno!???

After school's out the work begins!!!
